We do not have any outstanding questions or requests to the Corps so I think that what you have would be the request.

Krista: Helen asked us to follow-up on this and I think there was mention of combining with other documents you have previously discussed including a request? Do you want to meet today to discuss?

Thanks!

Hi Charissa, here are the names of the documents (there are two more):

- Cherry, D.S. 2017. *Scour Analysis Tech Memo*. Electron Hydro LLC, Orting, WA.
- Cherry, D.S. 2017. *Hydraulic Analysis Tech Memo*. Electron Hydro LLC, Orting, WA.

Subject: 2nd document request

Hi Helen/Caitlin:

RE 2 documents requested: 1 document still needs to be obtained per request. I looked through Phase 1 documents and I found the reference to the report I already sent along (Cherry, S. 2016. Geomorphology and Sediment Transport Draft Study. Electron Hydro, Orting, WA). However, I didn't see a reference to a second document in the Phase 1 documents. Would it be okay to ask for the name of the second document requested?

Thanks for your patience with the request for further clarification!
